CRYSTAL PALACE CUP 2011

It was brought to the attention of the Directors of the British Dance Council on 6th March 2011 the possibility of the above-mentioned competition scheduled to take place on 22nd May 2011 in London being run under rules other than those of the British Dance Council was discussed.

This event is being advertised as the "Crystal Palace Cup 2011 IDSF Open Standard, Open Latin, Senior 1 Standard, Youth Standard and a PD Standard competition".

No requests to present this type of event has been received by the BDC, as were requested and granted by the BDC in the past to an organiser for a similar event. In spite of repeated requests to the organiser of this event no information has been forthcoming.

As a result, and following the decision taken at the Board of Directors meeting I am instructed to write to remind you of the BDC Rules regarding unrecognised events where it clearly states that:

Rule 57 Unrecognised Events, Medal Tests and Examinations

A qualified teacher who participates in any capacity at a championship not recognised by the council, in a competition run under Rules other than those laid down by the Council or an organisation which is not recognised by the Council, or in medal tests or examinations conducted by organisations not represented on the Council shall be subject to disciplinary action."

Yours sincerely,

BRYAN ALLEN
President
