NEW DATABASE OF DANCE TEACHERS/SCHOOLS for 2007

The British Dance Council are frequently contacted by the general public who wish to know where there are dance classes in their area. In order to provide an efficient service a **NEW** database is being set up listing dance schools throughout the country. If you are a qualified dance teacher and would like your school to be included in this database, please complete the following form and forward to:
The Company Secretary, Terpsichore House, 240 Merton Road, South Wimbledon, London SW19 1EQ, or email to: **secretary@british-dance-council.org** Unless stated otherwise it will be assumed that you are willing for your details to also be included on the BDC website database.

Please note: After 1st January 2007 the existing database will no longer be valid. In order that the new database is completely up to date, details will not be transferred from the existing database. Anyone wishing to be included on the new database must forward a completed form as set out below. This form may also be downloaded from the website.
